Cover

Guidance notes

Your own schedule will show which parts of this insurance apply to your car as long as you have paid the premium.

Please check that this is the cover you asked for and tell your insurance intermediary if you have any questions.

It is important to read your certificate of motor insurance to see how you may use your car. We do not cover certain uses.

Cover

The cover that applies to this policy is comprehensive. All sections of this document apply.

The general conditions and exceptions apply to all sections of the insurance.

Use

Your car will only be covered if you are using it in the way agreed on your certificate of motor insurance, or any endorsements. Use in connection with voluntary work by any authorised driver is permitted by this insurance.

Your car will not be covered while it is being used for any competition, rally, trial, track day, performance test, race or speed trial (whether between motor vehicles or otherwise). This exclusion applies even if the event is not on a public road and regardless of whether it is authorised by the police or another relevant authority. Cover is also not provided for your vehicle being used on derestricted toll roads. Derestricted toll roads are roads the public can pay to have access to and where speed restrictions are temporarily or permanently suspended (including the Nurburgring).

Section 1 - Liability to others

Guidance notes

This section explains the cover available if other people claim against you, for injury to them or damage to their property.

This section covers your employer while you are using your car on business.

Always check that other drivers have valid licences.

We do not have to settle claims under this section if anybody claiming can claim for the same loss on another insurance.

What we cover

Using your car

We will cover any payments that legally have to be made for:

- death of or injury to another person; or
- damage to other people's property as a result of an accident arising from your vehicle being used.

Other drivers using your car

We will cover you for the following.

- Another person using your car with your permission as long as this is agreed on your certificate of motor insurance. They will be covered for death or injury to other people, or damaging property. Any passenger in your car will also be given this cover.
- If we think it is necessary, we will arrange for a solicitor to represent anyone covered under this section.

Business use

- If your certificate of motor insurance includes business use or your vehicle is being used for voluntary work by you or any authorised driver, the terms in which we insure you under this section (liability to others) are extended to include any liability attached to a principal by virtue of any contract that you may be under with that principal, as a result of the use of your vehicle.

Legal personal representatives

- If anyone covered by this insurance dies, we will deal with any claim made against their estate as long as the claim is covered by this insurance.

What we do not cover

- a) Anyone who is not driving, but who makes a claim, if they knew the driver did not hold a valid driving licence.
- b) Anyone who is covered by other insurance.
- c) The death of or injury to the driver.
- d) Damage, loss of use or any other loss to:
 - any motor vehicle which is covered under this insurance;
 - any property you or anyone else driving the vehicle owns or is looking after; and
 - any trailer, caravan or vehicle towed by or attached to your car.
- e) Death of or injury to any person during the course of their employment, except for the cover we must provide under the Road Traffic Acts or any other laws which apply to motor insurance.
- f) Payment of more than £20 million (including legal costs) for damage to other people's property arising from any one claim or series of claims arising from one cause.

Liability to others continued on the next page.

Section 1 - Liability to others (continued)

- g) We shall not pay any claims in relation to business use (mentioned above):
- If we do not have full control over the conduct of any claim that occurs;
 - For death or injury to any employee (or equivalent within the voluntary working sector) of the principal during the course of their employment except for the cover we must provide under the Road Traffic Acts or any other legislation applicable to motor insurance;
 - For any liability which attaches to the principal by virtue of an agreement which would not have attached in the absence of such agreement;
 - For any liability resulting from the negligence of any person other than you, your business partner, director or employee (or equivalent of these within the voluntary working sector); or
 - Where the principal is entitled to indemnity under any other insurance.
- h) Loss or damage caused intentionally or maliciously by you or any person employed by you or any person covered under this policy or any member of your family, or loss or damage someone else causes with your permission or encouragement.

Section 2 - Damage to your car

Guidance notes

Section 2 only applies to comprehensive insurance, and covers damage to your car.

The amount we pay may be different if your vehicle was not registered in the UK from new.

If your vehicle has been imported you must tell us when you arrange cover.

Please see page 10 for exceptions to section 2.

What we cover

This section only applies to your car.

We will cover you under this section for damage to your car (less any excess which applies).

We will also provide cover for damage to your car's spare parts and fitted accessories supplied by the manufacturer. You must keep the spare parts and accessories with your car and their value must be within the maximum amount we pay.

We will not pay under this section for damage more specifically covered under sections 3 or 4 of this insurance.

We will (at our option) either:

- repair or replace your car; or
- pay you an amount of cash.

The most we will pay

If your car was first registered from new in the United Kingdom, the most we will pay will be its market value immediately before the accident or loss (including its spare parts and accessories).

If your car was first registered from new in a country other than the United Kingdom, and we know about this and have agreed cover, the most we will pay will be:

- the amount shown on your purchase receipt for your car (including spare parts and accessories); or
- the market value of the manufacturer's United Kingdom model with the nearest equivalent specification (including spare parts and accessories);

whichever is lower.

If your vehicle is under a lease agreement the most we will pay is the written down value or the market value whichever is the lesser.

Section 3 - Loss or damage to your car by fire or theft

Guidance notes

Under this section we will provide cover when your car is stolen, damaged by thieves or damaged by fire. You will need to pay the excess shown on your schedule.

If your car is stolen, we will assume that it was in average condition for its age unless you give us other evidence.

The amount we pay may be different if your vehicle was not registered in the UK from new.

If your vehicle has been imported you must tell us at the time you arrange cover.

You should make every effort to protect your car from theft. Please make sure you keep your keys safe when you are not using your car.

Please see page 10 for exceptions to section 3.

What we cover

This section only applies to your car.

We will cover you under this section if the loss or damage to your car is caused by fire, theft or attempted theft (less any excess which applies).

We will also provide the same cover for loss or damage to your car's spare parts and fitted accessories supplied by the manufacturer. You must keep the spare parts and accessories with your car and their value must be within the maximum amount we pay.

We will not pay under this section for loss or damage more specifically covered under section 4 of this insurance.

We will (at our option) either:

- repair or replace your car; or
- pay you an amount of cash.

The most we will pay

If your car was first registered from new in the United Kingdom, the most we will pay will be its market value immediately before the loss or damage (including its spare parts and accessories).

If your car was first registered from new in a country other than the United Kingdom, and we know about this and have agreed cover, the most we will pay will be:

- the amount shown on your purchase receipt for your car (including spare parts and accessories); or
- the market value of the manufacturer's United Kingdom model with the nearest equivalent specification (including spare parts and accessories);

whichever is lower.

If your vehicle is under a lease agreement the most we will pay is the written down value or the market value whichever is the lesser.

Theft of keys

If the keys or key fob for your car are stolen, we will pay the cost of replacing:

the keys or key fob;

- the door locks or boot lock (or both); or
- the ignition and steering lock.

We will also pay the cost of re-coding or, if necessary, replacing any alarm system your car has.

The most we will pay as a result of theft of keys or key fob is £500 for any one incident. This amount is subject to any excess which may apply.

Section 4 - Loss of or damage to in-car entertainment and navigation equipment

Guidance notes

We will only pay up to £500 for non-standard in-car entertainment and navigation equipment less any excess you have to pay.

Please see page 10 for exceptions to section 4.

What we cover

We will cover you under this section for loss of or damage to in-car entertainment and navigation equipment permanently fitted to your car.

- If such equipment is fitted as standard by the manufacturer then you will have unlimited cover but will have to pay any excess which applies.
- If such equipment is not fitted as standard by the manufacturer (i.e. it was fitted after the original registration) the most we will pay to replace or repair the equipment is the market value of the equipment at the time of the loss or damage up to a maximum of £500. This amount is subject to any excess which may apply.

Exceptions to sections 2, 3 and 4

Guidance notes

Under all contracts some situations are not covered. Please read this section carefully to make sure you understand what cover is not included in your own insurance.

You are not covered for hiring a replacement car.

You must follow the manufacturer's instructions to avoid liquid freezing in the cooling system of your car.

We will not pay for any repairs or replacements which leave your car in a better condition than it was before the incident. If this happens, you will have to pay something towards the cost.

For cover to apply under this insurance if you lend your car to anyone else, you must make sure that you include them as a driver on your certificate of motor insurance.

If you leave your car, it will not be covered if you have not removed the ignition key, closed the windows and sunroof, and locked all the doors. This even applies for short periods, such as in a petrol station.

- l Loss or damage when your car is left unattended if the last person in charge of your car before the loss or damage happened is not shown on your certificate of motor insurance as allowed to drive.

This applies even for short periods such as in a petrol station.
- n Loss or damage resulting from your car being repossessed by or returned to its rightful owner.
- o Loss or damage caused intentionally or maliciously by you or any person employed by you or any person covered under this policy or any member of your family or loss or damage someone else causes with your permission or encouragement.

If we think the repair estimate is unreasonable, we may negotiate a lower estimate or pay for any work that may have been done and move your car to another repairer. We have the right to move your car to a safe storage place without asking you.
- L If we choose, we may arrange for the repairer to use suitable (possibly recycled) parts and accessories that are made by a company other than the manufacturer of your car.
- M You cannot transfer this insurance to anyone else.
- N Cancelling during the initial period of cover – ‘Retail’ customers only
If you have entered into this contract of insurance as a retail customer, providing your policy has been issued for 30 days or more, you have a right to cancel this insurance. To do this, you must tell us or your insurance intermediary within 14 days of the start date (or renewal date) of your policy or (if later) the day you receive the policy documents and supporting information.
Cancellation will take effect from the date we receive your notice to cancel but cannot be backdated.
If you choose to cancel the insurance policy during this initial period of cover, you will have to pay ‘pro-rata’ rates for the period of time you have had insurance cover. Further charges may include a proportion of any commission paid to your insurance intermediary and a proportion of any fees charged by your insurance intermediary, sufficient to cover their costs.

Guidance notes

You must keep your car in a safe and roadworthy condition and make every attempt to protect it from damage or theft.

If you leave your car, it will not be covered if you have not locked and secured it. This applies even for short periods, such as in a petrol station.

If you are a ‘retail’ customer, you may cancel the insurance within 14 days of its start without giving any reasons. You will be entitled to a pro-rata refund of your premium, not including any charges to cover costs.

This policy is automatically cancelled once you have passed your driving test.

Guidance notes

We may cancel the

insurance by sending you seven days' notice. You may be entitled to a refund of part of your premium. You may also cancel this insurance by notifying us or your insurance intermediary. This policy is automatically cancelled if you have passed your driving test.

- O This insurance may also be cancelled in the following circumstances.
- We or your insurance adviser may cancel this policy by sending 7 days' notice to your last known address where there is an exceptional or valid reason for doing so. We will refund the part of your premium which applies to the period of the insurance you have left. If we or your insurance adviser cancel this insurance because you have not paid the full premium no refund will be given. We will not give a refund if anyone has claimed in the current insurance period. It is a serious offence under Section 143 of the Road Traffic Act 1988 to use, or allow any person to use a motor vehicle on a road without a valid insurance policy in force.
Exceptional or valid reasons may include but are not limited to:
 - you do not pay the premium or an instalment when you have been notified that an outstanding amount is required by a specific date;
 - you or anyone else covered by this insurance has not met the terms and conditions in this document of motor insurance including those shown on your schedule;
 - you have not provided the requested documentation e.g. proof of no claims bonus, a copy of your driving licence or evidence of your current address;
 - a change in your circumstances means that we can no longer provide cover;
 - where we identify misrepresentation or fraud or any attempt to gain an advantage under this insurance to which you are not entitled;
 - use of threatening or abusive behaviour or language or intimidation or bullying of our staff or suppliers.
 - You can cancel this insurance after the initial period of cover set out in N above. Cancellation will take effect from the date we receive your notice to cancel, or a date in the future you have specified, but cannot be backdated.
 - If this insurance is automatically cancelled due to the provisional licence holder declared under this policy having passed their driving test no refund will be given.
- P If you pay your premium by instalments and have paid a deposit premium, if we then do not receive an instalment when it is due, we will send you seven days' notice of cancellation. You must pay the full amount you owe before the seven days are up. If you do not pay the full amount, we will cancel the insurance immediately. It is a serious offence under Section 143 of the Road Traffic Act 1988 to use, or allow any person to use a motor vehicle on a road without a valid motor insurance policy in force. If your vehicle is lost or damaged and cannot be repaired or replaced and the loss or damage is covered by this insurance, you must pay all the premium you owe. We will have the right to take any premium you owe from the amount of the claim.

Guidance notes

You must tell your insurance intermediary immediately if there are any changes to the information you have given us. If you do not do this, your insurance cover may not be valid. This policy automatically terminates once you have passed your driving test.

Q You must tell us as soon as possible about any changes which could affect your insurance and which have happened since the cover first started or since you last renewed it. If you do not tell us about these changes, your insurance may not cover you fully or at all. If you are not sure whether any facts are important, please ask your insurance intermediary. Here are some examples of changes you should tell us about.

- Passing your driving test.
- A change of car - including getting an extra car. We will need full details of your new car, which must include information about the country in which it was first registered if this was different to the United Kingdom.
- A change in the way you use your car.
- A change of address.
- A change of occupation, including any part-time work.
- Convictions and prosecutions.
- A change in the main driver of the car.
- Details of drivers you have not told us about before.
- Details if you or anyone who will drive develop any medical conditions.
- All changes you make to your car, if these make your car different from the manufacturer's standard specification.

Without affecting the condition relating to cancellation we shall be entitled to increase or reduce the premium and/or vary the terms, conditions and exceptions of this policy in respect of the unexpired term of this insurance to adequately reflect the alteration in the risk.

- R This insurance does not give rights to any person other than you (the insured person) unless we say differently elsewhere in this document.
- S Unless we have agreed otherwise with you, this insurance is governed by the law applying in the particular country in the United Kingdom you live in. If there is any dispute over which law is to apply to this insurance it will be English law. We will not cover any payments that are awarded by a court in a country outside of the United Kingdom.
- T If your vehicle is lost or damaged and cannot be repaired or replaced, and the loss or damage is covered by this insurance, when we settle your claim your vehicle will become our property. We will not refund any premium for the period of insurance you have left but we may decide to let the cover continue for a replacement vehicle.
- U This policy is automatically cancelled once the provisional licence holder under this policy has passed their driving test.

If your vehicle is a 'write-off' and we offer to settle your claim, this insurance will end for your vehicle when you accept the payment. The insurance can only be transferred to a replacement vehicle if we give our permission.

Very important if you have an accident

Guidance notes

Please follow these instructions if you need to make a claim.

Your insurance intermediary will send you a claim form and give you advice.

You must report all accidents to us immediately.

What to do if I have to make a claim

- 1 Do not drive away. You must stop if any person or animal has been hurt, or if any vehicle or property has been damaged.
- 2 Ask for the names and addresses of any other drivers or pedestrians. If there is another driver involved, ask for the name of his or her insurer and for their insurance policy or certificate number.
- 3 If the accident damaged another vehicle, property or animal, you must give your name, address, vehicle registration number and show your insurance certificate to anyone who needs it. If anyone other than you is injured, you must show your insurance certificate to the police.
- 4 Write down the names and addresses of any witnesses.
- 5 Draw a diagram of the scene or if possible take photographs. Show as much detail as possible - include:
 - the position of all the cars before and after the accident;
 - the speeds and distances;
 - road names and layout;
 - where witnesses were standing;
 - any obstructions to your or other road users' view; and
 - anything that could be relevant to the accident.
6. Do not admit you were at fault in any way or offer to make a payment. If any other person does this remember to report it to us.
7. You must report all accidents, particularly those involving personal injury, to us immediately. You can phone if necessary. You may also be asked to complete an Accident Report Form. You will need to answer all the questions on the form and sign and date it.
8. If you receive any writ, summons or correspondence from anyone else or their representative, send it to us immediately. You must tell us if there is going to be any police action.

How to make a claim

If you need to tell us about an incident involving damage to or loss of your car, please phone us immediately on 01227 284090. Calls made to or from this number and other numbers at the insurer may be recorded for training and monitoring purposes.

You should phone this number even if your policy does not cover the damage.

If we are asked to repair your car, we will do this if the damage is covered by the policy and one of our approved assessors has inspected the damage.

We promise to:

- do our best to sort out your claim with as little paperwork as possible; and
- start the repair process immediately.

To help us process your claim, please make sure you have your policy details to hand when you contact us. We will also need you to tell us the precise details of the incident.
